## Friday, April 23, 2010 & Saturday, April, 24, 2010

Waikoloa Beach Marriott Resort & Spa

### *The Power of Purpose - Intentional Teaching*

**FRIDAY PRESENTATION**

***Intentional Teaching in Early Education***

**Lynn Gehrke, Ph.D., Concordia University**

**6:30 pm - 9:00 pm** (Registration fee includes light buffet)

Children in our settings "invite" us daily into their lives with their conversations and questions. The challenge to early childhood practitioners is to accept those invitations while moving children to progress toward a set of learning goals.

Learning standards will help practitioners maintain intentionality while remaining open to the beauty of children's questions and their invitations to share the life of the environment together.
